

Take a journey of discovery, or to a memory of a place you once visited. Our wine team can introduce you into a new wine experience or guide you to dive deeper into a region or variety you already know and love.

Our largely Italian wine list champions Sangiovese, the native red grape of Tuscany which perfectly suits our Mediterranean style climate. Wonderfully aromatic with great freshness and terrific finesse in the cooler regions, to full bodied, deep, velvety and complex in the warmer. Balanced and able to partner with an array of food, you will find the wines of Chianti Classico, Montalcino and a smattering of Super Tuscans well represented.

Our selection of wines by the glass is ever changing. If there is a specific wine you would like by the glass please enquire with our team who will advise a glass price and open using Coravin.
